## Azure Signature Concepts – Designed for Florida, Built on Experience

Born in the heart of Central Florida, Azure Signature Concepts was created with one clear mission: **to deliver the highest quality outdoor living solutions, with exceptional service, guaranteed durability, and unmatched post-sale support.** Proudly based in Orlando, FL, Azure is more than just a pool installer—we are a dedicated partner committed to enhancing the Florida lifestyle with beauty, reliability, and efficiency.

Our leadership team brings over 18 years of experience in construction, manufacturing, and business management across the U.S. market. This expertise, combined with partnerships with world-class manufacturers boasting over 35 years of innovation in fiberglass pool design, ensures that every project we deliver is backed by knowledge, precision, and long-term value.

Beyond pools, Azure offers a complete outdoor living portfolio tailored to meet the needs of Florida homeowners. Our services include:

- Custom backyards
- Summer kitchens
- Pergolas and gazebos
- Artificial grass installation
- Screen enclosures and fences
- Whole-house water filtration systems
- Solar energy solutions

At Azure, we don't just build pools—we build trust, comfort, and outdoor environments that inspire. Whether it's a family oasis or a modern backyard retreat, our solutions are tailored to the unique needs of each customer, reflecting our unwavering commitment to excellence.

**Azure Signature Concepts – Elevate Your Outdoors. Live Exceptionally.**

## Why Choose a Fiberglass Pool Over Gunite?

When planning your dream backyard, choosing the right type of pool is crucial. While gunite (concrete) pools have been around for decades, fiberglass pools offer a smarter, more efficient solution for modern homeowners.

Fiberglass pools are a smart, modern alternative to traditional gunite (concrete) pools. They come pre-molded, allowing for faster installation (1–3 weeks) and lower long-term maintenance. Their smooth, non-porous surface resists algae and reduces the need for harsh chemicals.

Durability and warranty are key benefits — fiberglass pools often include 15-year to lifetime structural warranties, while concrete pools typically offer just 5–10 years and require costly resurfacing every decade.

Gunite pools can crack, leak, and take 3–5 months to build, often at twice the cost. With integrated features and elegant finishes, fiberglass pools offer style, strength, and savings — all in one.

Feature	Fiberglass Pool	Gunite Pool
Installation Time	✓ 1–3 weeks	✗ 3–5 months
Warranty	✓ 15 years to Lifetime	✗ 5–10 years
Cracking Risk	✓ Low (flexible shell)	✗ High (rigid shell)
Leak Potential	✓ Very low	✗ Moderate to high
Surface Finish	✓ Smooth	✗ Rough
Algae Growth	✓ Minimal	✗ High
Maintenance Costs	✓ Low	✗ High
Chemical Use	✓ Low	✗ High
Long-Term Cost	✓ Lower	✗ Higher
Initial Investment	✓ More affordable	✗ Often to 2x more expensive

Okéanos  
FIBERGLASS POOL

## Official Okéanos Pool Distributor – Florida & Georgia

Azure is proud to be the exclusive distributor of Okéanos Fiberglass Pools in Florida and Georgia, bringing **over 35 years** of European craftsmanship and innovation to homeowners across the Southeast United States.

Manufactured in Beauce, Quebec, Okéanos pools have made a name for themselves in Europe and North America for their superior engineering, elegant designs, and fast, cost-effective installation. Thanks to a patented construction method, **Okéanos pools are the only ones in the industry that do not require a concrete collar and can be fully backfilled without filling the pool with water** — a breakthrough that reduces installation time and site preparation costs significantly.

With a wide variety of modern and classic designs, from flat-bottom to sloped options, Okéanos pools are constantly evolving to reflect the latest trends while maintaining unmatched structural integrity and style.

At Azure, we are committed to delivering only the best to our clients — and with Okéanos, you're choosing a pool that is beautiful, durable, and built for life.
